

### **Federal Court Student Outreach Event**

U.S. Circuit Judge Ralph R. Erickson, attorneys representing criminal prosecution and defense, and an officer with the United States Probation and Pretrial Services visited two senior government classes at Shanley High School in Fargo. Their May visit was a follow-up to their December visit to the school in recognition of Bill of Rights Day. The panel spoke to the classes about their respective career paths, background, education, and work. Students posed questions and were particularly interested in hearing about current events, work duties, and memorable cases.
