

Save the Date: Summer CLE June 23-24.

We are once again partnering with Travis Finck and the North Dakota Commission on Legal Counsel for Indigents to provide our annual CLE. We are still working out the details, venue, speakers, etc. but can confirm that, with them, we'll deliver two full-days of education devoted to criminal defense which will include an hour each of ethics and sentencing guidelines training consistent with CJA Plan requirements. We will share the agenda and other details as they become finalized, but for now here are the dates. I look forward to seeing everyone in June.
