

Budget Authorizations

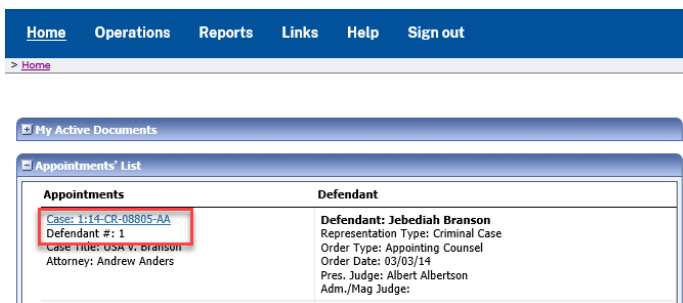

The Budget Auth document type allows you to request additional attorney funds and/or to request service providers on a budgeted case. It is important to note that the Budget Auth document DOES NOT create actual authorizations. Service provider requests approved in the budget auth still require an auth to be processed once the budget auth is approved.

For additional information about the case budgeting process, an [Explanatory Memorandum](#) is available, and attorneys may contact the Case-Budgeting Attorney for the Seventh and Eighth Circuits, Clarke P. Devereux by phone at (312) 818-6618 or email at clarke_devereux@ca7.uscourts.gov.
