WELCOME TO JURY SERVICE

The names of prospective jurors are randomly selected from the official list of actual voters who voted in the most recent presidential election.

The places of holding court in the United States District Court of North Dakota (federal court) are Bismarck (Western Division) and Fargo (Eastern Division).

The term of service for jurors in the federal court in North Dakota is four months: January through April, May through August, and September through December.

During your term of service, you will be notified in writing of the specific date and time you are summoned to appear. You will only be required to report to the courthouse for one trial during your term of service.

Please review the information on this website for important information regarding jury service, including the Juror Information Sheets for Bismarck and Fargo and Frequently Asked Questions.

Thank you for your willingness to serve as a juror in the federal court. We sincerely hope that your experience as a juror is a rewarding one. If there is anything we can do to improve your service, please do not hesitate to contact us.
